

TECHNICAL DATA

Eldorado AC-5 Corrosion Remover

Description

Eldorado AC-5 is a liquid, viscous, acid cleaner and corrosion remover, for use on aluminum and stainless steel surfaces.

Material Properties

- Viscous liquid for application to vertical surfaces and large structures.
- Powerful cleaning action.
- Removes oxides and corrosion products.
- Biodegradable
- Nonflammable
- Safe on Plexiglas® and most plastics.
- Approved by or conforms to: AMS 1626, Boeing D-6, Douglas CSD #1, Airbus

Application Techniques

Preclean surfaces with Eldorado ED-500 to remove heavy greases and oils. Prevent contact of AC-5 with glass and high-strength steel by masking. Apply AC-5 with a brush or with stainless steel equipment. Always start at the bottom and work upwards to avoid streaking. Allow to remain in contact with the surface for 1 to 5 minutes. Aluminum will cause AC-5 to form a white foam. When this foam starts to slide, agitate the surface and rinse with water. Aluminum alloys with a high copper content will turn dark after application of AC-5. This dark film can be removed by agitation with a brush while rinsing AC-5 from the surface, or by application of Eldorado D-2 solution immediately after rinsing AC-5 from the surface. Surfaces which require painting must be flushed with an alkaline cleaner, rinsed, and allowed to dry before paint application.

Avoid skin contact by wearing rubber clothing and a face shield. In case of accidental contact, wash with soap and water. Seek medical attention if eyes are exposed. Do not place AC-5 in galvanized containers. Always use plastic.

Health Precautions

This product is safe to use and apply when recommended precautions are followed. Before using this product, read and understand the Material Safety Data Sheet (MSDS), which provides information on health, physical and environmental hazards, handling precautions and first aid recommendations. An MSDS is available on request. Avoid overexposure. Obtain medical care in case of extreme overexposure.

For industrial use only. Keep away from children.
