

TECHNICAL DATA

Eldorado ED-394 Emulsion Cleaner

Description

Eldorado ED-394 is a liquid, solvent based, emulsion cleaner to be used on painted and unpainted metal surfaces.

Material Properties

- Clear brown liquid
- Powerful cleaner, particularly for greasy soils
- Safe on paint and Plexiglas®
- Flash point above 160°F (71°C)
- Will not cause hydrogen embrittlement of high strength metals
- Safe on aluminum, magnesium, cad plate, and other structural metals
- Surfactants are biodegradable
- Approved by or conforms to; Mil-C-43616D, Class 1, Mil-C-25543D

Application Techniques

ED-394 may be mixed with water or kerosene. Dilution with water should be one part ED-394 with four parts water for heavy duty degreasing and one part to nine parts water for routine cleaning. Dilution with four parts kerosene may be used for removing oil spills and degreasing of engine parts.

Apply ED-394 with mop, brush, or spray. Allow remaining on the surface 15 minutes, agitating the surface with a brush, and rinsing with a pressure stream of water.

Avoid contact with skin and eyes with use of rubber clothing and face shield. Do not use in confined spaces. In case of accidental contact with eyes, flush with water and contact physician.

Health Precautions

This product is safe to use and apply when recommended precautions are followed. Before using this product, read and understand the Material Safety Data Sheet (MSDS), which provides information on health, physical and environmental hazards, handling precautions and first aid recommendations. An MSDS is available on request. Avoid overexposure. Obtain medical care in case of extreme overexposure.

For industrial use only. Keep away from children.
