License Agreement

PPG Industries, Inc. ("PPG") grants to you ("the Licensee") a license to use the confidential color matching information contained on this website ("Information"), to which your password provides access, for color matching using PPG Products. PPG Products include PPG and/or Nexa Autocolor toners and associated products used for color matching. Included in the Information is new color matching information not previously distributed, which constitutes PPG trade secret information.

All rights to and in the Information, including, but not limited to, copyrights and trade secret rights, belong to PPG. Licensee acknowledges the confidentiality and trade secret status of the Information and its value to PPG and promises to keep the Information confidential and secure against access by third parties.

The license granted above is subject to the following conditions:

1. Licensee may not transfer or distribute the Information to others without specific written permission from PPG, and then only on the same terms as those contained herein.
2. Licensee shall not copy, reproduce, or modify the Information or create a derivative work from the Information.
3. Licensee shall only use the Information for its own business purposes for color matching with PPG Products only. Use of the Information with toners and associated products of others for color matching is strictly prohibited.

This license is effective until terminated. The conditions of this license apply to any future versions of the information that may be acquired by the Licensee. The proprietary rights of PPG in the Information and the conditions of this license survive termination of this Agreement. Licensee may terminate this license by returning its password to:

PPG Industries, Inc.
19699 Progress Drive
Strongsville OH 44149
Attention: Color Support Group

PPG may terminate this license if Licensee breaches any of its terms and conditions. Upon termination of this license for any reason, Licensee must immediately return its password and any of the Information to PPG. Upon termination by PPG, PPG shall have the right to pursue legal action against Licensee for breach of contract, misappropriation of trade secrets, or other causes of action.

CLICKING ON "AGREE" BELOW INDICATES YOUR ACCEPTANCE OF THESE TERMS AND CONDITIONS.

The screenshot shows the PPG Europe ColorWeb interface. At the top, there is a navigation bar with the PPG ACCESS logo and the text 'On-line Color Formulations'. Below this, there is a search bar and a table with columns for 'Source Type', 'Manufacturer', and 'Color'. The table contains one row with 'Motor Manufacturers' as the source type and 'TOYOTA' as the manufacturer, with the color 'TOY.040 - SUPER WHITE 2'. Below the table, there is a dropdown menu titled 'Select paint system' with three options: 'DELFLEET(A) DT(A) 350', 'DELFLEET(A) DT(A) 350', and 'DELTRON(A) DN(A) BC SOLID'. A blue circle highlights this dropdown menu. Below the dropdown menu, there is a table with columns for 'Variant', 'Description', 'Type', 'Most Popular Match', and 'Colorbook'. The table contains one row with 'Y' as the variant, 'Yellower than Prime' as the description, 'Agreed Variant' as the type, and 'PPG Europe Nuancier ITA - CARD - Body II PPG Europe Nuancier EUROPE - + - Body II PPG Europe Chromatic Variants - 01-250000 - Body II' as the colorbook. A blue arrow points to the 'Agreed Variant' cell in the table. At the bottom of the browser window, the URL is visible: 'selectvariant.aspx?ColorId=400556098&ColorRefId=400556098&BrandId=48&MarketId=48&SourceId=39468&SourceType=98&PanelId='.

10. **Select paint system** より BC または DG を選択します。

注意!! ソリッド色を検索した場合、BC配合、DG配合に加え大型車用塗料ブランドのDelfleetと表記されることがありますのでご注意ください。
