**INTRODUCING THE PPG CERTIFIED METAL PANEL PROGRAM:  
 NOW IT'S EASIER THAN EVER TO MAKE A LASTING IMPRESSION — CONSISTENTLY.**

**SPECIFY AND TRUST PPG CERTIFIED PANEL MANUFACTURERS**

**Insist on working with members of the all-new Certified Metal Panel Program — featuring Duranar® Coil Coatings.**  
 Now there's a better way for architects to get consistent, durable color from their coil coated metal panels. PPG/CMPP uses stringent auditing, testing and sampling procedures to make sure you get the panels you need, in the right color, right when you need them. It's all part of PPG's ongoing effort to bring you access to reliable, certified solutions for nearly every surface of your building. Learn more in our "Color Considerations" white paper.
